COMPANY OVERVIEW

ARIAS VANIER GRAY LLC supports medical courier, transportation logistics, and business consulting requirements. Led by an owner with hospital logistics and commercial-driving experience, the company brings direct communication, organized coordination, and attention to client delivery requirements.

CORE COMPETENCIES

Medical courier services

Scheduled pickup and delivery support for labs, clinics, pharmacies, and healthcare facilities. Handling requirements defined at onboarding.

Transportation & logistics

Route planning, dispatch communication, shipment tracking, delivery documentation, and transportation partner coordination.

Business & administrative consulting

Operational planning, business organization, client onboarding, CRM workflows, and contract coordination support.

WHY WORK WITH US

- Direct owner involvement from intake through coordination.
- Hospital logistics and commercial transportation experience.
- Medical courier and HIPAA training inform service preparation.
- Local knowledge with a defined regional service focus.

RELEVANT OWNER EXPERIENCE

New Hanover Hospital | Sep 2015 - May 2019

Linen delivery and hospital logistics.

US Foods • Epes Transport • E.W. Wylie

Commercial driver/operator, dedicated, and OTR roles.

Experience reflects prior owner employment, rather than company contract past performance.
